ITS Alto Adriatico
Diploma of higher education
Mobile Development Engineering

Sept. 2017 – Aug. 2019
8/10

Università di Padova
Computer Engineering

Oct. 2015 – June 2017

LANGUAGES

Italian	Native
Spanish	Native
English	Advanced proficiency

CERTIFICATIONS

ITIL® 4 Foundation <i>PeopleCert - Download</i>	Dec 2024 – Dec 2027
MasterZ x Solana Bootcamp <i>Solana Foundation, MasterZ - Download</i>	July 2024
Elements of AI - Introduction to AI <i>University of Helsinki, MinnaLearn - Download</i>	Sep. 2023
MasterZ Blockchain & Digital Assets - 2nd Edition <i>MasterZ - Download</i>	June 2022

PROJECTS

Plantastic

Co-founder & President

Plantastic is a non-profit project that facilitates networking between volunteers, landowners and donors to help the reforestation of local communities in northeastern Italy.

The idea is that through an app they can track trees they helped plant, monitoring their health and CO2 absorption. Fully developed the app in Flutter in my free time.

Note: Currently, migrating to a web app to reduce the cost of platform maintenance.
